Malawi is a landlocked country, running down the end of the Great Rift Valley. Dominated by Lake Malawi, the third largest lake in Africa, the surrounding country is exceptionally beautiful with dramatic scenery that includes rocky outcrops, high mountains, plateaus and views across what is considered to be Africa's most beautiful lake. Malawi is known as the "Warm Heart of Africa" and as people, the Malawians live up to this name. They are extremely friendly and welcoming. There are many market scenes, road side stalls, cottage industries that a visitor can comfortably visit. With both the scenery and the culture Malawi is a great country to drive in.

In April 2018 Kuthengo Camp officially opened its 'doors' for business and in honour of the upcoming 1 year anniversary, we have put together this exciting package which explores 2 of Malawi's most popular and diverse game parks:

- **Majete Wildlife Reserve** - currently the only official Big 5 game park in Malawi.
- **Liwonde National Park** - in addition to having 4 of the Big 5 present, it is also the only park in Malawi that is home to a cheetah population.

Day 1 On arrival at Lilongwe International Airport a representative from Robin Pope Safaris will meet you and assist you for your flight to Mkulumadzi. The camp is located on the confluence of the Shire and Mkulumadzi River; within Majete Wildlife Reserve, 70km South West of Blantyre - Southern Malawi.

Majete is Malawi's only Big 5 Reserve and one of the largest protected areas, and covers an area of over 70,000ha. The reserve is located within the Miombo woodland ecoregion and much of the higher lying areas in the west of the park are dominated by Miombo/Brachystegia woodland. Mixed Combretum woodlands and mosaics of riparian forest can be found in the East of Majete.

MKULUMADZI

Day 2 The luxurious lodge is in a stunning location and activities include game-drives, boating safaris, bush walks, hiking Majete Hill, black rhino tracking, cultural tours, birding trips on the Shire River and game-viewing from a hide. Guests are free to be as energetic or as idle as they please although at least one activity per day is encouraged to best enjoy Majete. **MKULUMADZI**

Day 3 After breakfast and farewells, you will be transferred to Kuthengo Camp by road transfer, approximately a 3.5 hour journey. Liwonde National Park is considered to be one of the top birding locations in Southern Africa. The park offers some of the most scenic game viewing, beautiful riverine surroundings and varied bird watching you could wish to find.

A great deal of the terrain is Shire River floodplains, much loved by the healthy population of Elephants in this park. They are best viewed during your boat safari on the Shire River, one of the many highlights of a stay at Kuthengo Camp. **KUTHENGO CAMP**

Depending on your arrival time in the day you will enjoy a lunch looking out over the Shire River or if you arrive in the afternoon, you can enjoy afternoon tea and the evening game drive. **KUTHENGO CAMP**

Day 4 Explore the Shire River and lagoons - an excellent opportunity for sightings of elephants, hippo, crocodile and bird life. Birding is rewarding - specialities include Lillian's lovebird, brown breasted barbet, osprey, palmnut vulture, Pel's fishing owl and Livingstone's flycatcher. Also available is a viewing hide on a tributary of the Shire River and also some interesting visits to the local school and surrounding rural communities. **KUTHENGO CAMP**

Day 5 Transfer flight back to Lilongwe will be in time for your onward connection. **END OF SAFARI**
