DESTINATION OVERVIEW

Livingstone is home to one of the seven natural wonders of the world, **The Victoria Falls**, and offers many opportunities, both adrenaline filled and more sedate, to view this amazing site. There are gameviewing opportunities too, with a chance to see the white rhino in Mosi-Oa-Tunya National Park and river trips on the Zambezi River. Combining these three areas in Zambia gives you an exceptional safari.

South Luangwa National Park marks the end of the Great Rift Valley, is one of the last unspoilt wilderness areas and possibly the finest wildlife sanctuary in Africa, through which the meandering Luangwa River runs. The ox bow lagoons, woodland and plains of the valley host huge concentrations of game - including elephant, buffalo, leopard, lion, giraffe, hippo - and over 450 species of birds.

Pumulani on Nankumba Peninsula recognized as one of the most beautiful shores of the Lake and borders Lake Malawi National Park. This Park was established in order to protect the cichlid fish unique to the area. In 1984 the park was designated a World Heritage Site.

Day 1 On arrival at Livingstone International Airport a representative from Stanley Safaris will meet and transfer you to the lodge (20 mins), where you will settle into your accommodation. Stanley Safari Lodge is located on the hills overlooking the Zambezi River and Victoria Falls in a bush location. Accommodation is in 10 uniquely designed chalets that are constructed of teak and local stone and are open fronted or more colonial style brick and tiled rooms which are closed. Each with a private balcony ensuring spectacular views overlooking the Zambezi River and suites has plunge pools. **STANLEY SAFARI LODGE**

Day 2 There is a wide range of activities on offer in the area that can be booked at the lodge these include trips to see the falls, town museums and markets and sunset cruises. For the more adventurous, Livingstone boasts a whole host of adrenaline filled activities including whitewater rafting, bungee jumping and micro lighting. Or you may just wish to rest in camp and enjoy the spectacular scenery and peaceful atmosphere. The day will end with a relaxed dinner. **STANLEY SAFARI LODGE**

Day 3 Depending on your flight time you will be transferred by vehicle to Livingstone Airport to connect with your onward flight to Mfuwe, South Luangwa. A guide from Robin Pope Safaris will meet you at Mfuwe Airport for transfer to Luangwa River Camp, through colourful village life. The ten bedded camp is situated opposite the Luangwa Wafwa (a game rich area of the park) in the Upper Lupande Game Management Area. It offers all the creature comforts of a lodge yet with all the intimacy, tailored activities and flexible mealtimes you come to expect from a bush camp. The camp is unique with its décor of locally crafted and handmade details. The main area is elevated between 1-3 metres on wooden decks affording great views to the park and river. The swimming pool is sunk into the deck, linked by a waterfall. Seating areas are all elevated and open plan with a bar area as well as a dining and reading area. Depending on your arrival time you may settle in for some lunch, siesta then off on an afternoon

activity. There is an option to turn back after sundowners or continue to see what nocturnals you can spot, returning to camp by 8pm. **LUANGWA RIVER CAMP**

Day 4 & 5 The next couple of days will be spend as you wish - an option is there to take a walking activity or game drive; or even both. For those with a knack for shopping can take a trip to Tribal Textiles for locally printed fabrics which are sewn into various items - perfect for souvenirs or gifts for friends and family. Perhaps a trip to Kawaza Village to experience an authentic Zambian village, interact with the locals and even sample a local meal. Nothing is set in stone; you can discuss your specific interests with your guide. **LUANGWA RIVER CAMP**

Day 6 After an early breakfast, transfer to Mfuwe Airport for your flight to Lilongwe. The flight time to Lilongwe is approximately 50 minutes. On arrival at Lilongwe's Kamuzu Airport, you will be met by our staff, who will assist with immigration procedures and the payment of airport taxes. Then onto your road transfer to Pumulani.

Pumulani is situated on the Westside of the Nankumba Peninsula in the South end of Lake Malawi - romantically called "The Lake of Stars". The ten villas are scattered around the hillside and are individual in shape and style but all have a spacious bedroom, bathroom and extensive sitting area. The front sliding doors open onto the deck - elevated above the ground giving optimal views. The central dining and bar area is high above the lake with the most spectacular views and leads onto an expansive deck. The infinity swimming pools are on a lower terraced deck and on beach level. The lake shore bar offers light snacks as well as refreshments.

Meals will be served in the dining area, on the beach or by arrangement on your private deck.

The stunning setting of the lodge and the unique comfort of the rooms means that many guests choose to make relaxation their main activity, but there are enough activities available to keep guests busy. **PUMULANI**
