

*With all the usual comforts of a Robin Pope Safari camp, Kuthengo maintains a rustic charm, complemented by stunning views which are best appreciated from your private deck with a cold sundowner in hand, admiring the herds of waterbuck that frequent the camp area, milling about in the evening glow. You may be quite isolated from outside world, but we have everything you need; from a pool to indoor dining, a cosy bar and even a lapa for evening campfires.*

- Personal accident or death
- Emergency evacuation from the point of evacuation to the nearest best hospital and then back to the guest's hometown. Family or traveling partner should also be covered for accompanying an evacuation.
