DESTINATION OVERVIEW

This safari covers two of the premier parks in Zambia - The South Luangwa and Lower Zambezi plus Malawi's calendar lake, Lake Malawi. The **Luangwa Valley**, which marks the end of the Great Rift Valley, is one of the last unspoiled wilderness areas and possibly the finest wildlife sanctuary in Africa. The Luangwa River flows into the **Zambezi River** - just below the **Lower Zambezi National Park**. This park, scenically bordered by an impressive escarpment, has excellent game, which can be viewed from either the river or by land. Quietly drifting past a huge elephant feeding is a great experience.

Day 1 On arrival at Lusaka International Airport a Robin Pope Safaris representative will meet you and assist you onto your flight to Jeki Airstrip for Anabezi.

Anabezi is found at the lower end of the Zambezi National Park, exclusively located offering relaxing and serene isolation. With its unique location, Anabezi offers diverse wildlife sightings. Many yellow corn pods drop from the surrounding Ana Trees attracting a diversity of animals from the higher land to feed during the dry months. **ANABEZI**

Lower Zambezi is great for water-based activities that include canoeing, boating and fishing with game drives and walking as a bonus, for you to choose from. You therefore have a full range of activities on offer for these two days; the choice is all yours. Tiger fishing (on a catch and release basis) is a must for keen fishermen. **ANABEZI**

The six rooms all look out over the river and have open air bathrooms. Depending on your arrival time in the day you will enjoy a lunch looking out over the lagoon to the back of Nkwali or if in the afternoon for tea and the afternoon and night game drive. **NKWALI CAMP**
